

**Main Street Catering & Brasserie** really is a family affair. There's Lee (that's me). I'm the "Mom". Many around the area knew my grandfather, Dr. George M. Darrow (aka Papa Darrow) who owned the "pick-your-own" strawberry farm in Glenn Dale. He used to say with such glee..."I can't believe I get paid to do this (raise strawberries & day-lilies), I love it!" I understand what he meant because I love what we do at Main Street.

The rest of the family includes my wonderful husband, Dennis! who worked magic and turned J-Mart from an ugly duckling into this beautiful headquarters for Main Street Catering & Brasserie. A project manager in NW D.C., Dennis' company puts life back into old buildings. It took four years to complete this Bowie project - he'd leave D.C. & come to J-Mart every night after work. Every night and every weekend at J-Mart. Whew. Dennis deserves an award for what he accomplished. Is there one for grit & determination and being just a little crazy?

Then there's Kerri, my daughter. She and I started Main Street Catering in 2004. She is the person who assures you that every detail of your event will be absolutely wonderful and then...she makes it happen. She delivers! She is the best! Visit our website [www.mainstreetcateringmd.com](http://www.mainstreetcateringmd.com) & read the letter from a recent bride's Mom, entitled "The Perfect Wedding".

## *The Main Street Story*

My son Jhon, a chef and restaurant opener, joined us in 2008, to oversee kitchen operations and lead the way in the creation of our Carry-Out/Brasserie. He shares my love of cooking, has an incredible knowledge of food!...from ingredients to techniques to selecting just the right combinations for our menus! Ask him any food question...he'll know the answer! He loves what he does and it shows.

Our extended family includes Jennifer Morse, a wonderfully talented lady who has been right there with us - since the start. It's Jen's beef tenderloin, her seafood salad, her grilled veggies that do it for everyone! She cooks to make people happy and it works every time! Come to Main Street any Wednesday and catch the aromas of that tenderloin grilling...woo hoo!

Then there's this girl named Mary O'Neill - could she be Irish? Yep, and she grew up in Bowie & she's married to Jhon (congratulations). And, oh by the way, it was Mary who helped put the Carry-Out on the map. There for us every morning - she knew what had to be done and did it, beautifully!

By the age of 12, our Joy (Patterson) knew she wanted to be a wedding planner and that's just what she does for us. Not only weddings, but all events and she's wonderful. Enthusiastic, hard-working, energetic, a perfectionist - such an amazing young lady - an important part of our Main Street family.

There are more...our cooks, drivers, event staff - Sandy, Fina, Stefanie, Bob, Ryan, and many more wonderful people from all over the area who started with us and stayed. They are amazing and together we've made it work! We're Main Street...come in & meet us the next time you're hungry!
